

Aroma Mocha cafe

A stylized graphic of a coffee cup with steam rising from it. The cup is a solid orange-red color at the bottom. The steam is represented by several thick, curved, yellow and orange lines that rise from the cup and curve to the right. The background is a mix of teal, orange, and brown tones with abstract shapes. On the left side, there are three dark brown circles, each containing a white crescent shape, resembling coffee beans or a stylized face.
